Our team has many years' experience and strong relationships allowing us to deliver an unrivalled service and solution for you and your clients.

SERVICE MATTERS

We understand the importance of service and combine this with continued product development and evolution.

THE TEAM

We are a dedicated International team within Carrolls, focusing on the Australian Property market. Placing facilities and stand-alone risks into Lloyds of London and the re-insurance markets.

WHAT WE DO

HARD TO PLACE

Large “hard to place” risk with no limit on values.

SME PROPERTY

Lloyds placed SME facilities with limits up to \$10m any one location for all ISR placements.

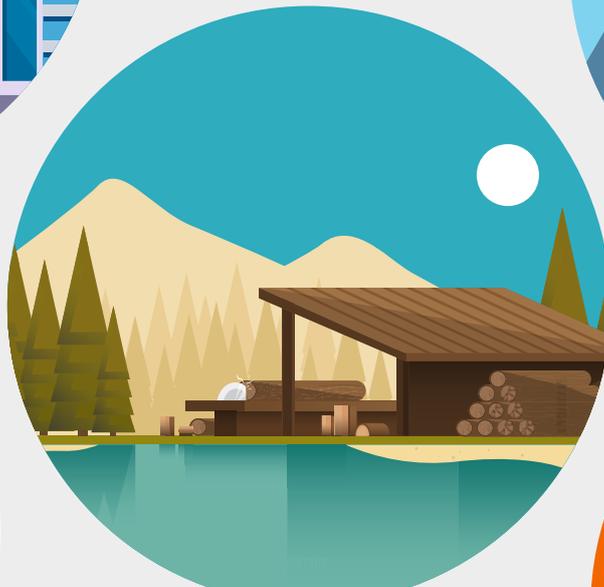

EXPERT KNOWLEDGE

Our team solely focuses on Australian property business.

HARD TO PLACE PROPERTY

- With our fluency of trading 'face to-face' with our Underwriters, we understand the requirements of each of our markets. Taking an 'Underwriters viewpoint' on the risk ahead of a marketing exercise, to ensure we can broke each risk in the best way to obtain competitive terms for you and your clients.
- We are a strong and experienced New Business Team who have a reputation for placing risks from standard SME risks to the more difficult, unusual, complex and larger placements with no limit on values. Here are some of the property placements we have made:
 - Sawmills
 - Eco-Resorts
 - Alpine Property Managers
 - Abattoirs
 - Agriculture
 - Hotels
